

**ABSOLUTE
HEROES**

Denise **KHALIFE SALAMEH**

MANIFESTO

The Creators:

Be Idealistic, bold & radical in shaping the future.
Realize projects that feed your soul & push the envelope
for a better world because a creator has a responsibility
towards his society.
It is Designers that can lead to a change of mentalities.
Remember, they are the link between users & producers!

The Inspiration:

Create something that matters, from the Heart,
with Love to Humans.
Get the Inspiration from "L'air du temps" in intense
tuning with the real world yet in respect for Belonging,
Identity and Moral Values

The rise of Art & Craftsmanship:

Head for Self-sufficiency, Sustainability & Authenticity
Be conscious of Cultural & historical awareness
Expand the limits of textures while respecting your nature.

The will:

Making the best quality accessible to many humans
based on the intimate mingle of cultural
perception, social engagement & economic return.
First, reassess the priorities and then, have the courage
to create, take the opportunity, rise up,
and be a support to your country!

We are all **HEROES**, ABSOLUTE **HEROES**

We are all ABSOLUTE **HEROES** overcoming Covid19

it meant

Reinventing life

Requestioning ourselves

Resetting our values

Rethinking our way of life to find peace and wellbeing

ABSOLUTE **HEROES** collection is an Intense exploration of Design values
revisited to adapt to the new constraints of life while adding some foolishness and fun to
our daily routine

A movable , comfortable seating, with adaptable heights side tables

A gliding dresser carrying your essential fancy tableware next to you wherever you go

A transportable desk with light, that helps you work from home anywhere in the world

A traveling dance bar that can easily fit it in your luggage to confront life in good shape

ABSOLUTE **HEROES** Collection is inspired from Heroes of our past yet pushing boundaries
and putting new eyes on our daily life to constantly live in a better world
